

## **Broker's Job Description**

Friedman Group, Ltd. and Friedman Development Group are looking for a Real Estate Broker with commercial experience to join our 15 year old firm. We are in a unique position where we have been able to be selective about the business we accept. Our present practice is in office, industrial, retail, affordable housing, transit oriented development and land sales and development opportunities. Our firm has also been involved in providing debt and equity to other real estate firms and developers. Our practice has been grown through the best advertising medium there is – ***word of mouth***. Our client list is a diverse group of companies and individuals that include: developers, attorneys, CPA's, other professional firms, banks, governmental and not-for-profit agencies.

We are looking for someone to do fulfillment on lights and representation work. We will provide representation opportunities and listings. We are looking for someone to work in an entrepreneurial environment. Please direct your resume, compensation model, and all communications to Chris DeJarnette (chris@friedmangroup.com).
